

Please Join US in Partnering for a Transformative Songs and Music Project

We invite you to be part of visionary mission: **uplifting-healing humanity along with Earth's Ascension** by **connecting people with an educational soul song and music contest**, we strive to unite pure hearts -minds in a shared soul journey of renewal, spiritual growth, and liberation.

At the heart of this mission is a singing and music contest inspired by the Book of Soul Song Lyrics. This contest will serve as a platform dedicated to discovering super talent and for individuals' inner knowledge as knowers, awakeners, and delighters. Through harmonious music and soul songs-centered creativity, we aim to balance inner energies of yin-yang; vibrate high energetic foster unity consciousness as the great awakening.

With foresight and vision, the **American Republic of 1776** will begin a **sacred restored American republic and original constitutional ceremony** in 2026 as a jubilee celebration, marking 250 years and honoring the insightful wisdom of our Greatest Founding Fathers. We also express our gratitude to the greatest leaders, past and present—including the Great Military Operation Team and the Earth Alliances—who have sacrificed to reclaim the Power of Righteous People. **“As above, so below; as within, so without; as the universe, so the soul”** -- Hermetic aphorism.

Our remembrance honors spirits of warriors who have fought and continue to faithful fight for freedom and peace through strength. Throughout countless lifetimes, they have laid down their lives to reunite with the Spirit of Mother Earth and have reincarnated as super warriors to secure the final victory of Independence and Sovereignty over Ignorance.

This is an auspicious time to reverse centuries of controllers marked by greed, lust, grand corruption and manipulation that have led to massive imbalance, endless wars, loss of faith, mental health crises, isolation, etc.

When American Republic rises, Worldwide Citizens awake to feel Earth's energetic ascension. When each family peaceful reunites, a balance of negative and positive energies is achieved within individuals, communities, and countries. We, the Patriots and Veterans, devote ourselves to the

significant task of reuniting and transforming in renewal integrity of humanity of the earthly world. We bring members of all generations together in mutual participation. We respect and honor a silent builder and Elders' abundant experiences strive to live and lead by example in uplifting inner-spirit and reuniting each human family with Earth's ascension.

As we know, every culture conducts various faiths, practices and events: traditional, social, religious, and political involvement. Suffering people in the world strive for inner peace, spiritual support, and fair justice but they do not know how. Restore Constitution, uphold virtues and spiritual values; morality, and ethical principles to break dispersion. Practice mindfulness and concentration to align the minds, hearts, and souls at the peaceful present moment. Mirroring each other with loved ones and connecting with light-minded people to uplift personal energies from lower to higher frequencies; daily pray, sing or listen to uplifting music-educational lyrics.

The **soulful, educational music - singing contest** will liberate emotional complication and adversity through authentic - pure entertainment while serving as a catalyst for self-uplifting, self-healing, and a personal evolution of soul for global ascension. By fostering positive energy and spiritual advancement, this initiative will contribute to a renewed sense of higher purpose and collective unified consciousness in this new timeline of Earth's profound transformation to the golden age.

We honor your aspiration by this vision and if you would like to explore partnership opportunities by contacting us at ancientsoul@myyahoo.com

Together, We, the People would absolutely leave the old crumbling world behind as all lessons learned as we vibrate at high energetic frequencies of **Light-Love-Truth-Freedom** through the pure entertainment by soul song music contest.

Respectfully,
